NEW ROUTES IN INDIANA. Extract from the act of Congress of 3d March, 1845

Section 18. " And be it further enacted, That it shall be the duty of the Postmaster General, in all future lettings of contracts for the transportation of the mail, to let the same, in every case, to the lowest' sidder tendering sufficient guarantees for faithful performance, without other reference to the mode of such transportation than may be necessary to provide for the due celerny, certainty, and security of such transportation; nor shall any new contractor hereafter be required to purchase out, or take at a valuation, the stock or vehicles of any previous contractor for the same route." By Bidders will be careful to read the forms and instructions ppended to this advertisement. They are requested to state in proposals, the mode by which they intend to convey the Where the size and weight of the mails, or the speed called for in the schedules shall require it, the contracts will be made for coach, steamboat, or railroad conveyance, as the case may be; and consequently, such routes will be let to hibs proposing such mode of conveyance. In all other cases, the routes will be assigned to bids proposing the cheapest mode of transportation.

ROPOSALS for earrying the mails of the United States from the 1st day of July, 1849, to the 30th of June, 1850, inclusive, a Indiana, will be received at the contract office of the Post Office epartment, in the city of Washington, until 9 a m, of the 4th of April, 1849, (to be decided by the 24th day of April, 1849,) on the routes and in the manner and time herein specified, viz:

INDIANA. 40-0. From Putnamville at 5 a m Friday by Cataract Mills, Spencer, Whitehall, and Stanford to Springville, by 8 p m, miles and back between 5 a m and 8 p m Saturday. 4081. INDIAN CLAIMS. THE undersigned having been appointed by the Government a comissioner to issue certificates on the awards made by Gen. Wm. B. Mitchell in 1840, on claims presented to him for investigation, against the Ottawa, Chippewa, and Pottowatomie Indians, so far as the same have been approved by the Secretary of War, would give notice to all interested, that said commission will be opened on the first day of February, 1849, and that the undersigned will, at his office in Peru, proceed to issue, in pursuance with his instructions, certificates to all claimants who may apply for the same, and in whose favor an award was made and approved as The undersigned is required by his instructions to take up each case of indebtedness of each individual Indian, and ascertain how

much he owes to each of his creditors; upon ascertaining which. a certificate will be issued to each creditor for the amount so found The original papers filed with Gen. Mitchell and forwarded to the Department, are now in my possession; and where the indebtedness of the individual Indian cannot be ascertained from them, proof will be required of the claimant. N. O. ROSS.

Peru, Jan. 12, 1849. 71-3mis DEPOT SITE. THE undersigned, a committee on that subject appointed by the Directors of the Lafagerte and Indianapalis Rulread Company

will receive proposals for the site of a Depot at Indianapolis until the 25th of February inst. The selection will be suspended between two or three of the most advantageous offers for a short time only after the aforementioned date, to enable the Board to act upon the recommendation of the committee. The grading is now in process of construction from Lafayette to Lebanon, and at the last meeting of the Board it was resolved to place the residue of the line from Lebanon to Indianapolis under contract so soon as \$20,000 is added to the sub-scriptions to the capital stock. Proposals may be sent within the time above limited to the office of the company in Lafayette, or left in the care of Mr. Browning, Washington Hall, Indianapolis,

CHEC OF Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Soves, Erysipelas, Pimples, Biles, Mercurial Diseases, Cutaneous Eruptions, Liver Complaint, Branchilis, Consumption, Female Complaints,

Loss of Appetite, General Debitty, &c THE Proprietors have spent much time in bringing to a prepa-I tion of Sarsaparilla to its present state of perfection; and the experience of fourteen years has furnished them the most amde opportunity to study, in their various forms, the diseases for which it is recommended, and to adapt it exactly to their relief and cure. Patients who wish a really good medicine are invited to give it a trial, and satisfy themselves of its superiority, and the invaluable property it possess of arresting and curring disease. The bottle has been entarged to hold one Quart, and in its present improved form may safely claim to be the best and cheapest medicine of the age. Its progress to the fame it has attained may be traced by a long line of facts and cures, that stand as landmarks and beacons for the invalid, pointing the way to the haven of health, and what it has already done for the thousands who have used it, it is expande of doing for the mittions still suffering and struggling with discuse. It purifies, cleanses, and strengthens the fountain springs of life, and infuses new viger throughout the whole animal frame.

Remarkable Cure of Bronchitis. NEW YORK, Feb. 17, 1848. MESSES. Saxus: - Having suffered many years with a disease of my throat, affecting the larynx, during which time I was treated by the most distinguished physicians in Europe and the United States, without receiving any permanent benefit, but all the time Whitley to Whitley, by 12 noon next day, 55 miles and back be- my general health and strength dockning, and the disease making fearful progress; caustic applications were used, and whatever else was thought most efficient for producing a cure; but I am confident the deplorable situation I was in, the larydgitis being accompanied with phthisis and great difficulty in breathing, would soon have terminated my life, had I not obtained relief through the medium of your invaluable Sarsaparlia. I must say, gentlemen, when I commenced using the Sarsaparida I did not place to Salem, (III.) by 6 p m next Wednesday, 106 miles and back be- much confidence in its virtues; and this will not surprise you, when you are informed I had tried more than fifty different reme dies during the past four years, without any success; but after Itaking your Sarsapardia a tew weeks, I was obliged at last to | vield to evidence. This marvellons specific has not only relieved the benefit of suffering humanity, to give you this attestation of my cure. Yours very truly. Consulate of France in the United States.

The above statement and signature were acknowledged in our presence by Mr. D. Parent as true. For the Consul General of France New York, Feb. 17, 1848. L. BORG, Vice Consul-The following testimony from Rev. John Grigg, late Rector of the hurch of the Crucifixion in this city, commends itself to the ettention of the afflicted. DR. OSGOOD'S INDIAN CHOLAGOGUE.-For the cure of Fever and Ague, Chill Fever, Dumb Ague, Intermittent and Remittent Feyer, Liver Complaint, Jaundice, Enlargement of the Liver and Spleen, and all the various forms of bilious diseases The following extract is from the "Farmer's and Emigrant's Hand Book," a valuable work of about five hundred pages recently published by Messes. Appleton & Co. New York. In chapter 8, page 235, the author, speaking of the Fever and Ague, remarks "There is a valuable medicine sold in most of the Western cities, which we can conscientiously recommend for Fever and Ague, and other bilious diseases; it is the India Cholagogue, which is prepared by Dr. Osgood of New York, who has made the bilious disorders of the West his especial study. We are no friend to those medicines usually called patent, but we have had ample opportunity of knowing the invaluable effects of the Cholagogue in bilious cases." The speedy and permanent relief afforded by the Chologogue, arises from its prompt and healthy action upon the blood, cleansing it from bale and restoring it to purity; thus striking at the root. Its tendency is not simply to suspend disease, but to remove the cause on which it depends. It is equally adapted to all ages and conditions of the system.

From S. F. Carey, Counsellor at Law, to the Agents in Cincinnati, CINCINNATI, October 11, 1846. Messrs, Sanford & Park : In June last I was attacked with that most afflicting and unpleasant disease, the Chill and Fever. The paroxysms returned daily, and were very severe. My physical energies had been much impaired, by a previous attack of billious fever. Having tried several favorite remedies without relief, . riend in whom I had confidence, recommended Dr. Osgood's In dia Cholagogue. I procured a bottle, and followed the accompany. ing directions. The consequence was, that I had but one paroxyism after taking the first dose, and my general health was rapidly restored without using any other medicine. I disposed with the remainder of the bottle to two other persons similarly afflicted, and with the same results. One of them had been shaking for eight months, and was relieved in two days by the use of the Cholagogue. I consider it my duty, as it is my pleasure to recommend it, having

the most entire confidence in its sanative powers. Yours, truly. I. D. PARK, 4th and Wainut sts., general agent for the West, also, for sale by appointed agents in nearly every town in the South and West. ar Be sure you askfor " Osgood's India Cholagogue," and take no Tomlinson Brothers, and D.
